WEAVE YOUR OWN TRIM ON THE INKLE LOOM

Saturday, April 1, 2017
9 am - 4 pm

Zigler Hospitality Center/Multipurpose Room
500 Main Street, New Windsor MD

No weaving experience necessary! The inkle loom is portable, easy to warp, easy to weave off, and makes beautiful belts and bands. Daryl uses it to trim her garments. Every weaver should own one. They are inexpensive and children as young as third grade can learn to use them. Inkle Looms will be available.

Starting with a PowerPoint presentation, participants will learn to make heddles for the loom, follow a draft and warp the inkle loom. Proper techniques for weaving a tight even band with good selvages will be explained. A more intermediate technique of Inkle Loom Pick-up for interesting design options will also be demonstrated. Participants will be able to finish a small project by the end of the day.
